

Blue Horizons

Meg Brennon knows that her new life at her road ranch, Paragon Springs, cant truly begin until she severs all ties with the abusive husband shed fled years before. Although fearful, she returns to St. Louis determined to find him and obtain a divorce. But Ted Malloy refuses, hoping that Megs return will win him his dying fathers favor-and fortune. Its going to be a long fight, and Meg cant afford to stay away from Kansas and a simmering range war. Reluctantly, she places her destiny in the hands of her likable lawyer, Hamilton Gibbs. Back in Kansas, Meg continues to battle rancher Jack Ambler. And by the time Hamilton Gibbs wins Megs divorce in St.Louis, he has also won her heart. Before long, theyre building a family in Paragon Springs. Then Meg brings the range hostilities to a breaking point by selling the farmers barbed wire to protect their crops from Amblers cattle. On a wire-cutting spree, Jack Ambler goes too far. .
