

## Patrie marine (Italian Edition)

Mattia, diciannovenne milanese ma di origini pugliesi, parte per il Servizio Militare di Leva, assegnato, su propria stessa richiesta, alla Marina. Imbarcato su un'unità di superficie, Mattia inizia così il lungo viaggio che lo porterà in mari e terre lontane, lasciando gli affetti di un'adolescenza appena trascorsa per incontrarne di nuovi ed esserne quasi travolto, salvato dalla sicurezza della disciplina militare. Nel lungo viaggio, profonde esperienze e appassionanti sentimenti porteranno Mattia a raggiungere una maturità piena, dalla quale scaturirà un epilogo che mai avrebbe immaginato. In una delle ragazze incontrate e amate, troverà l'amore unico, indissolubile, ma da conquistare con una vera battaglia di cui nessuno potrà prevedere l'esito.
