

Bridget Jones; The edge of Reason

Read by Tracie Bennett
Bridget Jones: The Edge of Reason is another laugh-out-loud look at the life of 90s Everywoman Bridget Jones. Picking up where the blockbuster bestselling Bridget Jones's Diary left off, The Edge of Reason finds Bridget ensconced in an up and down relationship with Mark Darcy, whom she finally decided to give a chance at the end of the first book. Bridget's best Singleton pals Jude and Shaz are on hand to dispense advice about men and relationships culled from the pages of GETTING THE LOVE YOU WANT and KEEPING THE LOVE YOU FIND, with unfortunate results. And Bridget's smug married friend Magda still mixes phone calls with friends with instructions shouted at her kids: Bridget, hi! I was just ringing to say in the potty! Do it in the potty! Bridget Jones: The Edge of Reason has all the charm and hearty laughs that made Diary such a smash.
