

## Movie Star Bundle (bisexual MMF menage)

This sizzling collection from the pen of Sapphire Rush contains three tales of illicit bisexual encounters between A-list film star Chris Haverford, and Kay and Bobby, two extremely junior members of the crew of Chriss latest film. In Movie Star Threesome, Bobby walks into Chriss trailer to deliver him some lunch, and gets far more than he ever bargained for. In Rimming the Movie Star, their relationship has advanced, and now Bobby is performing some incredibly intimate acts upon Chris. And in Red Carpet Rendezvous, Chris invited Bobby and Kay to the premiere of the film for a quick bathroom encounter before the show begins! The combined word count of these stories is in the region of 14,000. Theyre suitable for adults only, and they contain a number of hot bisexual threesomes, plenty of orgasmic enjoyment all round, and a cornucopia of different acts and positions!

Excerpt: Right here, said Kay curtly, tugging Bobbys arm again. He turned, and there was a short corridor. At the end of it, a door. Through the door, a small restroom. Four toilet cubicles. And one of them was double wide, for the use of any disabled people attending the screening... No way... said Bobby gently. I just... Youll do as youre told! hissed a low, urgent voice. Get in here quick before someone follows you! Bobby nearly slipped and fell to the tiled floor as he was once again propelled by Kay, the force of nature, once again urging him on to something hed never before considered doing. Okay, said Chris, perched on top of the throne, seat lid down, weve got about ten minutes before Freddy comes back. Uh, whos Freddy? said Bobby. The smiling gentleman who usually stands in the corner and gives you a drop of soap for a dollar or twenty, said Chris. Helps the guys with more money than sense feel like theyre giving to a good cause. Hes mysteriously decided to drop out for a

quick cigarette break. He sighed. Are we screwing or having a coffee evening? Because if we were going to have a coffee evening, I'd have brought my own Delonghi. Bobby felt his heart rate increasing exponentially; but meanwhile, Kay was sitting right on Chriss lap, grinding on him, kissing him, stroking his hair. Hey, she purred. If hes too chicken to join us, I say we just get on with it, and leave him to stand there and jerk himself off. She tilted Crhiss head back, and looked deep into his eyes. If hes that limp, I dont want him anyways. There was a short silence. Chris opened his mouth to say something, and then they all at once froze, exactly in place, still as statues. The door to the restroom had creaked open and then closed, and the clack of formal shoes on tiled floor sounded like individual gunshots as their owner crossed to one of the empty cubicles. None of them even dared to breathe.
