

A Life for a Life: An exciting plot involving al Qaeda, an American congressman and a British Minister in a plot to assassinate the President of the United States of America

A Life for a Life is a story about revenge and political ambition set mainly in the United States. It begins by bringing together three very different characters who witness a tragedy whilst at the same university in England. Twenty five years later George Hargreaves, PPS to the British Foreign Secretary, Richard Sorenson, a senior Congressman in the US House of Representatives and Abdel Banu Hashim, a Saudi born member of al Qaeda are again brought together as the Saudi plots to assassinate the US President. Congressman Richard Sorenson, whilst being blackmailed by Banu Hashim, sees an opportunity to realise his burning ambition and further his own Presidential prospects. The reader is kept guessing as to what Richards true intentions are and what will be the final outcome.
