

Grimms Reapers: Volume 1-4

****Warning** If you're unfamiliar with this series, it contains all of the following: sex, violence, orgies, dismemberment, seduction, beheadings, described nudity, a complete disregard for proven fact, Lust demons, no basis in actual history, a lot of profanity, and of course some sexual intercourse here and there. Reader discretion is advised** In one epic book, all four Grimms Reapers tales are here for you. Join Derrick Grimm, aka the Horseman Death, as he parades around the world trying to stave off apocalypses, demon takeovers, and boredom! Coming along on the adventure are his three brothers; War, Conquest, and Famine, as well as the Lust demon Roxanne, the angel Veronica, and of course the ever-trusted pale horse himself, Khloros. The forces of evil are strong and plentiful. But then again so are the gorgeous women that Derrick ends up throwing himself at! Something has to give in Grimms Reapers: Volume 1-4. The fate of the world rests in these pages and the Horsemen could really use an extra set of hands. So, are you coming or not? **We forgot to warn you that cheap puns and lame jokes are also present. Proceed at your own risk. Extras!

As an added bonus, there are two brand new offerings in this book for you:
-Merciless: A Grimms Reapers Short story featuring Roxanne the Lust demon
-Sneak preview at Chapter 1 of the fall release of my brand new series The Witch Wars: Jacobys Revenge If you already read the series and want to read the new stuff listed, both can be found in an anthology entitled Twisted and Sinful Stories. You can grab that in the Kindle Bookstore as well!
