Click Look Inside for a more explicit look into this 13300+ word short story of Demons, Magic, Paranormal entities, Seeding and domination. Demonic Desire - He Awakens Ereshkigal, one of the demonic lords of darkness, has been plotting his return for a century. Working subtly from the Otherworld, where he has been imprisoned, he has slowly pushed the beautiful and powerful necromancer Elyanne to the peak of her power. She thinks she is the one in control, the one with the power. But the cunning and patient Ereshkigal knows better. Once summoned to the human world, he must break Elyannes concentration for mere moments to win his freedom. He will use every demonic tool at his disposal to bring the sensual Elyanne to the height of pleasure to accomplish his goal. Demonic Desire - He Awakens 2 After a millennium imprisoned in the Otherworld, Ereshkigals planning has come to fruition. One of the demonic Lords of Darkness walks the earthly plane once again. With his new found freedom, Ereshkigal spends his time sampling earthly delights as he travels from village to village. In the midst of one of his journeys the demon lord comes upon a cave. Inside is a nubile young woman bathing. This woman is not afraid of Ereshkigal in his demon form, and instead embraces him. The pair spend many nights and days together as Ereshkigal is able to bestow unimaginable bliss upon her. When the mighty demon and human woman consummate their relationship, his seed is spilled and something unexpected grows. Demonic Desire - He Awakens 3 After having been banned from the order of the Templar for her extreme methods, the hunter Niaxia took it upon herself to capture and destroy the otherworldly abominations walking her beloved earthly plain. Using all of her cunning and power she managed to trap Ereshkigal, a demonic lord of darkness. Despite the heavy chains

and runed prison binding Ereshkigal deep underground, he does not fear the hunter. Enraged by her preys pride and unwillingness to submit, Niaxia attempts to dominate the demons body. The two powerful entities enter into a battle of will, each taking the other in a hot and sweaty tug of war. Ever scheming, Ereshkigal has a ace up his sleeve. He calls out to the mage Elyanne who had summoned him to the human world. He brings her to him, and the three bodies become one as Ereshkigals plans once again come to fruition.
