

## Mind Control: A Brad West Thriller

Brad West has just been dumped, in China, by his girlfriend. He is left in the clutches of a killer while May, his seductive Chinese sweetheart, and her dad, an expert at mind control, take off for America. But the CIA desperately wants Brad back, along with his psychic powers. They need him to investigate a rigged race for the White House and to fix a rapidly disintegrating economy. Can he ward off the assailant, brush aside snide remarks from his buddy, and lift his sagging spirits in time to attack the anarchy in America? Join Brad and friends on an epic action-comedy romp from Beijing to Vegas in search of the naked truth. And to save May and the nation from...Mind Control.
