

Terror Red

A shocking political thriller from Fox News commentator and New York Times bestselling nonfiction author Colonel David Hunt and political consultant Christine Hunsinger. What have we been afraid of since 9/11? *Terror Red* gives us a frighteningly realistic look at what could be the next major terrorist assault. Colonel David Gibson is a recently retired Special Operations Officer. Together with political consultant Christina Marchetti, he must take down a terrorist organization bent on hijacking planes, blowing up cities, and much more. Their pursuit of these heavily financed, ruthlessly trained killers hurls Gibson and Marchetti into a whirlwind of death and destruction. If they can't stop this murderous conspiracy, America could well be plunged into World War III. But can they stop them in time?
