

## Eldens Girl

A junior high teacher loses her temper with a difficult student -- reading aloud from his journal in front of her class. His humiliation and his her shame are matched only by the terrifying choices now left to them both. Centered on a boys obsession with a missing girl, this little ambush of a story will stay with you long after the words leave the page. A short story of 6,500 words (approximately equivalent to 26 paperback novel pages).
