

## The American Dream

The American Dream is a cry for justice, for sanity, for peace, in America. It is a call for revolt against the rich and powerful who deem themselves our keepers. That's how Mike describes this book on the back cover, and I can't do any better! This was the first book published by CWG Press and it originally used a local printer. We're releasing it again due to popular demand. The new books from CreateSpace will be identical to the originals.
