

Happy Holidays

Skip through the year on the back of 13 chilling tales of suspense, each on focusing on situations gone amuck during the holidays.. Among these pages, you will find people like: a woman who plans to start the New Year off with a bid to resurrect her dead husband, a young man on St. Patricks Day has a car accident that he wont easily walk away from, a ten year-old brat who plays a nasty April Fools prank that has repercussions thirty years later, a woman who tries to murder her husband with the perfect Thanksgiving dinner, and a struggling writer who takes a walk to see Christmas lights, only to find himself trapped in a winding neighborhood terrorized by an otherworldly creature. The next time your holiday plans go awry, just be glad that you have not had an experience like those in HAPPY HOLIDAYS.
