

Will

Teen years become even more of a challenge for Will Whiteside when he falls victim to an evil about which he feels he can tell no one. Guarding the secret, he becomes depressed and suicidal. His healing is a story of love enacted by ordinary people in his life. Set in eastern North Carolina in the years 1961-1966, a time of great social change, the novel is a story of the joys and sorrows of adolescent years and a celebration of the love that can overcome evil. Included is a set of questions which can be used for reflection or as a guide for book group discussions.
