

Following Fathers Footsteps: Steamy Gay Romance

WARNING: This book is full of mind-blowing sex between two men and other bi-sexual activities. Proceed at your own risk. Richard Fontaine, the wealthy and dashing Earl of Arras, has found himself in a bit of a bind. He's a gay man who is in a loving relationship, but he needs a wife to bear him a legitimate heir! He wishes it were as simple as finding a woman who will agree to give him a child while he continues his gay relationship. Where can he find that kind of woman? And will his lover, Eddie, agree to share him with a woman? Enter Alice, a spunky woman who seems like the perfect candidate to bear Richard a child. But the question now is, will the two men have room for a woman? *A Gay Romance for mature audiences.
