

Witness Protection (Book Two of the Todd Boling Series)

Todd Boling, a congressional intern, witnessed an explosion at Capitol Hill and the terrorists know he can identify them. As a result he is forced to enter witness protection leaving family and his girlfriend Kathy behind. He is relocated by Federal Marshals to Biloxi, Mississippi with a new name, new identity and told to keep a low profile. That works until he uncovers a group of gangsters and calls the authorities. He learns these criminals are working for a terrorist cell who has ties to the person who planned the Capitol Hill bombing and has bigger things in mind. Things which would create chaos throughout the United States. Once again he is caught up in the deadly game of hunt and be hunted.
