

## Futanari Demigoddess 1: The Venus Medallion (Futa on Female Transformation Erotica)

Valerie had no idea her mother was a goddess. But being a daughter of Venus came with advantages, even if she didn't realize it. Always the best at sports, always the hottest girl in the room, and blessed with the power to attract anyone she desired, a power inherited from the goddess of love herself. Of course being the daughter of a goddess also came with certain disadvantages. Disadvantages Valerie discovered one fateful day on a visit to the campus museum with her Western history class. It was there she stumbled across the medallion of Venus, an ancient practical joke between the gods with the power to imbue the god, goddess, or in the case of Valerie demigoddess, who wears it with the ability to switch genders. But Valerie doesn't know any of that. All she knows is that she feels strangely compelled to pick up the medallion. That there suddenly a monster between her legs that definitely wasn't there this morning, and that she suddenly has an overwhelming desire for Stacy, her nerdy study partner who's hiding a killer body under her baggy clothes. Things quickly heat up in between Valerie and Stacy as she explores her newfound curse, and discovers that perhaps what was considered an ancient curse could be a very sexy advantage in today's world. The Futa Demigoddess is a 12,000 word erotica short story dealing with themes of magical gender transformation and female on female futanari relationships.
