

Souls, Inc. (Twelve Terrifying Tales for 2011 Book 5)

An excerpt from Patricia Sullivan's post-mortem journal: My Dead Diary: Carson City NV Jimmy says the reason I can't remember why I died is that I was awake when it happened. I say that's bullshit. 17-year-old Patty can't remember why she died. She can't really remember anything at all about herself or her existence before Purgatory. And she knows there's something important buried in her past, something that pertains to her death but what? Her friend and the local rep from the Grim Reapers office Jimmy, that snarky bastard, knows but won't tell Patty anything. He says she has all the answers inside her already, and all she has to do to discover them is open her soul to the truth, whatever that means. Patty's not impressed by Jimmy's psychobabble but she's determined to learn the explosive truth about herself. SOULS, INC. is book five of author Shana Hammaker's short thriller series Twelve Terrifying Tales for 2011. Approximately 5700 words/25 printed pages
