

## Shark Pack (Sea Wolf) (Volume 3)

SEA WOLF GOES FOR THE KILL! It is the long, bloody summer of 1940: After Dunkirk, England stands alone, and the Third Reich rules supreme over Europe. Out in the Atlantic, the men of the U-boats, flushed with the arrogance of easy victory, mass to begin their slaughter of the shipping that provides Britain's life-line. And Baldur Wolz now famous as the Sea Wolf is icily determined that his U-55 will find glory or destruction in those waters of death. So the killing season opens. Wolz is determined to gain more sinkings than any other submarine in the German navy. And when the Sea Wolf goes in for the kill, there is no enemy who can outrun him... SHARK PACK is the third in a gripping series of novels about the U-boat war waged with grim ferocity in the bitter depths of the world's oceans.
