

Remember Ketchell

The brutal beating with a blacksnake whip from big cattle boss Ethan Amador left young cowhand Floyd Ketchell near to death. His merciless punishment was for daring to fall in love with the cattle barons beautiful red-headed daughter, Tara. Now all he sought was revenge. But when as a top gunfighter he returned to the scene of his humiliation five years later to fulfil his obsessive desire to kill the man who had hurt him, he found many unexpected changes in the town of Liberty, Texas. The arrogantly lovely Tara was now a ranch boss herself with a handsome hardcase as her right-hand man. Could Ketchell rekindle the fierce passion they had once shared and still kill her father?
