

## Trust No one (Sasha Stace Book 2)

**CORRUPTION - MURDER - BETRAYAL** When Feisty attorney, Sasha Stace defends an unpopular insurance company that won't pay life cover to a bereaved widow, she puts her professional reputation on the line and imperils her personal relationship with her partner. In this murder mystery, elderly Sydney rest home residents die mysteriously in the middle of the night. Is the cause of death natural causes or suffocation? The homes chairman falls to his death from a cliff top in Watsons Bay: accident, suicide or murder? The harder she works to meet a deadline in the case, the more murky the case gets. When key witnesses are murdered and the trust itself appears embroiled in a shady deal for more land Sasha is surrounded by unknown enemies, not knowing who to believe. Her fight for justice takes her into an increasingly frightening and uncertain situation that threatens both her and her family. Trust No One is a taut mystery, full of excitement and rich in surprising twists that will keep you turning the pages late into the night.
