

The Life and Loves of Cherry Bakewell: Year One

Have you ever wanted to read someone's diary? Well, now you can. Meet Cherry Bakewell, a pink-haired seventeen-year-old who is about to embark on the biggest journey of her life - moving to university. Read her thoughts as she attempts to balance her life, love, lessons, and work, with being a fierce bass player and singer for her band /Blinding Lollipop and the Helter Skelter Whiz Kids/. Who can she trust? Which boys are toxic? Why should students totally NOT drink? Take a voyeuristic peek inside her secret diary and follow her journey as she experiences a whole lot of first-times. Discover what she learns about life, rocking out, growing up, falling in love, falling over, kissing boys...and girls.
