

Unexpected (The Connected Series Book 4)

Harry is all about the three Fs - fun, freedom and females. While he has no responsibilities, he wants to see as much of the world as he can, experience life and the many delectable women it has to offer.

Then he meets Megan, a blonde angel who turns his world upside down and changes not only how he thinks, but what he wants. When a decision is made, their seemingly solid relationship cracks. Can Harry get Megan back? Or was it too late? Find out in book four in The Connected Series. ??

? WHAT PEOPLE ARE SAYING ABOUT UNEXPECTED ??? Harry and Megan's story is beautiful. Maybe everything isn't smooth sailing all of the time, but I'd like to see a relationship that is. Their love for each other shines out of the pages, and as with Doug and Sophie, I feel there are no better people for each other than Megan and Harry. Whether they'll make it to the end is another story, but whatever happens, they touched a part of me that all of KA Hobbs' books touch, my heart. A truly beautiful story, written by a truly beautiful soul. Reading the Sheets Blog I didn't for a second expect any couple to come close to Doug and Sophie but Harry and Megan are a real close second, there is just something about that cheeky lad. KA Hobbs keeps raising the bar, she never ceases to amaze me with each release. Hopelessly Devoted 2 Books Blog This is a beautiful addition to the series. It's full of romance, friendships, laughter, heartbreaks and heart aches, fears and determination, forgiveness and love - lots of it. 2 Girls, a Book and a Glass of Wine Blog
