

Dirty Billionaire (Dirty Billionaire Trilogy, Book 1)

[Read by Elena Wolfe and Sebastian York]Ive got a big d!%k and an even bigger bank account. Thats pretty much where my bio ends. Honestly, I dont need to say anything else. Ive just sold 99% of women on going home with me. Do I sound like an a\$\$hole to you? Thats because I am. And guess what? It works for me just fine. Or at least it did. Until I met her. Books talk about sparks flying. F#ck that sh!t. With her, it was like emergency flares mixed with jet fuel. Or maybe just straight up napalm. Only one problem. She wouldnt tell me her name or her number when she disappeared from the hotel room after the hottest f#cking night of my life. Now Ive had a taste of unicorn p#ssy -- the sweetest, rarest of all p#ssy -- and I need it again. So whats an a\$\$hole to do? I took this problem to the street. A missed connection gone viral. And when I find her? Im keeping her.
